## Why Attend

Attending this course will provide participants with the opportunity to delve into the design and implementation of policies and procedures for security departments in their organizations. Through the course, participants will gain a comprehensive understanding of how to manage the evaluation and implementation of these policies and procedures, taking into account factors such as setting standards, staff safety, security effectiveness, and overall departmental performance. Additionally, participants will learn about the significance of effectively enforcing, reviewing, and revising security policies and procedures while adhering to the legal requirements of their respective jurisdictions or countries.

## Course Objectives

- Recognizing various types of security policies
- Identify numerous types of policies used in security.
- Understand Standard Operational Procedures (SOPs)
- Apply assignment instructions to security operations.
- Create policies and procedures for their organization
- Manage the successful implementation of security policies.
- Effectively managing the implementation of security policies

The Scandinavian Academy for Training Center adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

### **Program Timings:**

- 9:00 AM to 2:00 PM

### **The program includes:**

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
