## Introduction

When did you last stop to think about how you work at work – and whether the way you work could be changed to help you be more successful? The Business Brain Train Seminar provides a thoroughly enjoyable environment for you to explore these questions. It shows how to make yourself more effective using mind mapping; teaches techniques for faster, more effective reading, and shows how to use memory systems to remember information. It examines techniques for idea generation, creativity and problem solving; planning; time management; and inter-personal communication skills (including making a speech and how to improve meetings. It focuses on core skills required for success in any enterprise. The seminar helps individuals:

- Read faster and read better (combining speed reading with techniques for better comprehension)
- Learn how to use mind mapping for planning, note-making and clearer-thinking
- Learn the secrets of memory systems – and how to use them to remember information
- Generate ideas and use problem-solving techniques
- Develop strategies for managing time, priorities and pressure
- Understand the importance of the whole brain effect on business effectiveness

## Objectives

- Read faster and more efficiently. Tackle reading tasks with more confidence
- Combine fast reading, mind-mapping and memory skills with time management

techniques to help handle “information overload”

- Develop effective strategies for managing time, priorities and pressure
- Be able to explore and develop new ideas and approaches
- Be more confident in your ability to work in groups, to contribute ideas and to take initiative and responsibility
- Understand how to create a “success culture” using “business brain skills”

## Training Methodology

This programme is enjoyable, practical and inter-active. The techniques are presented in a clear and easy-to-learn way using a mix of individual experiment, group work and discussion. You will find plenty of opportunities to participate, comment and question – but will never be put under pressure to express opinions or compete. You will be invited to learn at your own speed and to focus on developing your own skills.

## Organisational Impact

**The Scandinavian Academy for Training Center** adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

**Program Timings: 9:00 AM to 2:00 PM**

**The program includes:**

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
