Introduction

Today's organisation deals with ever increasing levels of complexity and the ever increasing speed of change. In order to achieve maximum effectiveness managers must continually sharpen their skills. In this programme you will study how to:

- Understand and apply best practices of the business analysis discipline
- Conduct a business-needs analysis to elicit stakeholder requirements
- Utilise methods, tools and techniques to identify issues and opportunities
- Develop effective requirements and communication plans
- Prepare, manage and implement solution assessment and validation

Objectives

- Understand how a business analyst acts as an intermediary managing the interests and needs of both the business/project management and IT communities
- Learn how to use a systematic approach based on "A Guide to the Business Analysis Body of Knowledge® (BABOK® Guide)" Version 2.0 and "A Guide to the Project Management Body of Knowledge (PMBOK® Guide)" 5th Edition
- Understand and apply the systematic framework for conducting business analysis activities through the phases of the business analysis life cycle
- Provide best practices and theory with practical tools and techniques that can be

applied immediately in your own organisation

The Scandinavian Academy for Training Center adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

Program Timings:

- 9:00 AM to 2:00 PM

The program includes:

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
