Overview

Human Resources (HR) professionals play a critical role in driving business success, talent development, and organizational performance. In today's dynamic and competitive business environment, HR practitioners must align their strategies with corporate objectives, manage workforce transformations, and apply modern HR techniques to attract, develop, and retain top talent.

This comprehensive 10-day diploma is designed to equip HR professionals, managers, and business leaders with the knowledge, skills, and strategies to optimize human capital, enhance organizational performance, and manage HR functions strategically. Participants will gain practical experience, industry best practices, and exposure to UAE employment laws, ensuring their HRM strategies comply with legal frameworks while fostering a high-performance workplace.

With a blend of interactive case studies, real-world applications, and hands-on exercises, this diploma provides a modern and practical approach to Human Resource Management.

Objectives

- Identify key elements in the formulation and implementation for human resources strategies.
- Development of required skills for each of the managers and leaders in the process of change.

- Analyze and assess the impact of the leadership on the performance of organizations and the need for all of them to change.
- Explain the legal concepts, which regulate the relationship between employers and workers in the United Arab Emirates.
- Explain the different legislation and laws that define the contracts, wages, working hours and safety of workers in the workplace, as well as the laws of termination of services and compensation.
- Explain the importance of strategic management of human resources in the organization's performance and performance.
- Assessment of the business environment and selecting appropriate rewards and their impact on the performance and commitment of staff.
- Apply of modern techniques and methods in the process of recruitment and selection in human resources.
- Compare between different methods and programs in the process of selection and evaluation.
- An assessment of the impact of incentives and rewards for the performance of the staff in the Organization.
