## introduction

The support you provide as an administrative professional is vital to your organization's ability to achieve its goals and objectives. Today, most senior managers expect you to have leadership and management skills in order to set your own administrative priorities. In addition, you must have skills to manage all contacts, create, store and retrieve documents, plus a broad variety of other administrative skills. To do all of this successfully, you need to have strategic insight and be able to innovate better processes. At the same time, you must be tactical, process-oriented, and driven toward continuous improvement. Organising and Behavioural Skills for Administrative Professionals and Executive Secretaries course gives you a wide range of skills to help you handle any work challenge with greater confidence and effectiveness. Leave with an action plan of best practices to apply immediately on the job.
