INTRODUCTION

In this increasingly competitive world, customers are in a position to demand forever increasing levels of service and quality. Rather than simply react to their demands, successful companies are proactive in the way they manage quality and continuously seek to improve levels of customer satisfaction.

In this programme, you will:

- Learn about Customer Service and Quality Management Tools
- Learn how to improve Customer Satisfaction
- Improve your people skills
- Learn how to proactively manage and control expectations

WHO SHOULD ATTEND?

- All business professionals in customer facing positions or with specific responsibilities for Service Quality and Customer Satisfaction
- Personnel new to the role, as well as more experienced officers seeking to examine and enhance their service quality and customer satisfaction skills

PROGRAMME OBJECTIVES

- Describe how to use Quality Management tools and methods
- Build strong customer relationships
- Help influence and set customer expectations
- Measure their own degree of customer focus and be able to apply a variety of methods to get closer to the customer
- Implement improved people skills to enhance customer service
- Improve service to internal customers as well as external customers
- Use skills to build effective relationships

TRAINING METHODOLOGY

The programme will be highly participative and will include a wide range of methods including presentations, discussions, videos, case studies and exercises. Where appropriate, these will include real issues brought to the programme by delegates.

PROGRAMME SUMMARY

After completing the programme, delegates will be equipped with the tools, models, skills and confidence to improve and enhance current practices, develop new processes and monitor their success.

This programme will help delegates become customer service champions and equip them with the appropriate confidence, skills and tools to turn any department into a world class service provider and the envy of all other internal customers.

The Scandinavian Academy for Training Center adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.
