## The Course

Demands to increase effectiveness and efficiency on leaders and managers in today's current business environment are more prevalent than ever before. A person can become more effective and efficient if they have the desire and willpower to make changes in their work behavior. Certain leadership and management principles, however, must be learned and practiced and these principles do not come naturally. A person learns and develops skills in these areas through a never ending process of self-study, education, training and experience. In a fast paced, continual changing world, personal development is an effective practice a manager must possess to sharpen the wide variety of skills needed to carry out responsibilities and successfully accomplish the organisation's goals.

The purpose of this comprehensive Complete Course on Management and Leadership is to assist persons at all levels in developing or enhancing their ability to lead and manage and achieve extraordinary results. The complete course is designed to be consists of two separate, but closely interrelated modules on management and leadership. It provides practical skills to take back to the job, along with insights needed to adapt principles to specific work environments.

- Principles of self management
- Productive and empowering leadership
- In-depth examination of the key issues of people leadership, organizational excellence, conflict management
- Principles of productive teamwork and interpersonal interaction

The Scandinavian Academy for Training Center adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

### **Program Timings:**

- 9:00 AM to 2:00 PM

### **The program includes:**

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
