## INTRODUCTION

There has been no time in history when customers have had so much choice of where to get service and goods. The internet has revolutionised the market place: customers can research, purchase and review products and services from the comfort of their own home, or office. Customer expectations have heightened. They demand consistent, professional and effective service from their suppliers. This highly interactive and fun programme examines in depth how to build lasting rapport and mutual respect with your customers while you uncover their needs, match them, build respect and maintain customer loyalty.

### **This programme will enable you to:**

- Build lasting and meaningful relationships with your customers
- Use powerful behavioural tools to ensure you secure and maintain a competitive edge within any marketplace
- Gain a greater understanding of your customers' needs and how to satisfy them
- Explore the basics of Neuro Linguistic Programming (NLP) and Emotional intelligence and discover how they can help you to improve your customer services management
- Influence with integrity and crystal clear communication

## PROGRAMME OBJECTIVES

- The art of building lasting rapport and lasting relationships with colleagues, customers and friends

- How to modify your own behaviour to match other's
- The model for establishing good working relationships
- An ability to influence with integrity
- An ability to use influencing skills and techniques to build ongoing and long term relationships with key customers
- To be able to create and adapt crystal clear models for communication between your organisation and it's customers
- How to build co-operation and commitment
- A greater understanding of your customers' needs and how to satisfy them
- An ability to tailor services to meet your customers needs
- Long term relationships between your organisation and it's customers
- An ability to be more versatile in every customer facing situation
- The ability to recognise behaviours that may cause conflict in the future, enabling you to defuse awkward, and sometimes critical, confrontations with colleagues and customers alike

## **TRAINING METHODOLOGY**

Participants will learn by active participation throughout the programme, using programme materials, exercises, training videos and discussions of relevant organisational issues.

## **PROGRAMME SUMMARY**

- The behavioural patterns of others and demonstrates how you need to change your own in order to communicate, influence and negotiate more effectively with them
- Looks beyond the traditional "Customer Service" models by examining different behavioural patterns and creating strategies to deal with each.
- In depth processes necessary to ensure a successful conclusion, for all parties, in every customer facing situation
- The powerful tools of NLP (Neuro Linguistic Programming) & Emotional

Intelligence

## **PROGRAMME OUTLINE**

### **The world of customer service excellence**

- Customer service and what it means
- Identifying excellence in front-line customer services
- What are the services and products that you offer
- The role of NLP and Emotional Excellence in customer service

- Reviewing the service that you offer and reacting accordingly
- Embracing change for the good of all
- Personal planning session - dealing with your own customers

**The Scandinavian Academy for Training Center** adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

**Program Timings: 9:00 AM to 2:00 PM**

**The program includes:**

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
- **Note: All prices are exclusive of 15% Value Added Tax (VAT).**
