Course Description

Public relations is the process used by businesses or organizations to present the most favorable image for them to the public. It is the responsibility for public relations professionals to provide carefully crafted information to the target audience about the individual, its goals and accomplishments, and anything else that may be of public interest. The public relations professional also helps integrate its client's image in its business strategies and daily actions. Public relations is practiced by a department in a company, an organization, or as a public relations professional firm.

This 5-day course is designed to teach you all you need to know about gaining publicity for companies, individuals or specific products and services. Over the course modules, you will be presented with a myriad of professional PR responsibilities which are used every day to great effect by those already "in the know".

Course Goal

To enhance participants' knowledge, skills, and abilities to understand and perform public relations responsibilities effectively.

The Scandinavian Academy for Training Center adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

Program Timings: 9:00 AM to 2:00 PM

The program includes:

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
- **Note: All prices are exclusive of 15% Value Added Tax (VAT).**
