## Introduction

Coming up with a great strategy is one thing, but actually implementing it successfully in order to get outstanding results is quite another. This is why the real challenge in strategy is in execution. Professionals require the skills and competencies to go from strategy formulation to day-to-day tactical execution while ensuring the achievement of results that align with the strategy.

## Objectives

- Understand the planning and execution framework at all levels of the organization.
- Understand the need for planning and control to achieve strategy, operational goals, and tactical results.
- Understand and apply the basic principles and concepts of planning and decision-making at all levels of the organization.
- Recognize and apply the concepts and principles of strategy, operational planning, and tactical execution.
- Creating and maintaining the organizational structures, processes, and systems to ensure tactical, operational, and strategic success.
- Develop an ability to understand context, seize opportunities, and apply initiative in the face competition, obstacles, and rapidly changing situations, all to achieve the higher-level outcomes of the organization.

**The Scandinavian Academy for Training Center** adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

**Program Timings: 9:00 AM to 2:00 PM**

**The program includes:**

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
- **Note: All prices are exclusive of 15% Value Added Tax (VAT).**
