Introduction

In today's highly competitive and challenging environment, it is critical to have a proper perspective on the direction in which your organisation is heading. The seminar will focus on issues and challenges faced and point you in the correct direction for the future.

The seminar is designed to stretch delegates in order to equip them with the knowledge and confidence to lead and manage in a fast moving and complex business environment. The course is a unique distillation of the skills that you need to be successful in business delivered by people in business.

The highlights of the seminar are as follows:

- Essential concepts of leadership theory that all managers need to know
- Finance, Financial strategy and Accounting for non-financial managers
- Marketing, Brand development and Market positioning - Understanding key marketing concepts
- Learn about group process and shared leadership
- Development of innovation
- Motivating the new generation of workers
- Your personal vision and vision statements for success

Objectives

- To provide concise, comprehensive coverage of vital business topics, important concepts, and proven strategies taught as part of MBA programs
- To grasp the essential ingredients of:
 - Personal success
 - Management success
 - Business success
- To help non business-trained professionals understand fundamental business principles
- To ensure that delegates are current with the future thinking in all aspects covered in this MBA Programme

Training Methodology

There are detailed presentations supporting each of the topics together with interactive trainer lead sessions of discussion. Role-plays, case studies, DVD's, small group work, exercises and feedback will be used to facilitate learning.

The main principle on which the seminar has been built is the principle of experiential learning. Delegates will be given the opportunity to practice these skills using a series of exercises and case studies. Networking amongst attendees is encouraged to discuss mutual business issues

Organisational Impact

- Giving attendees the knowledge to make them “intrapreneurs” within the organisation
- To ensure that attendees within the organisation are appraised of current business thinking and its application
- To make attendees aware of the need for creative and innovative thinking required in today's organisations
- Provision of practical methodologies that can help improve results from all resources used in a business (people, capital and products)

- How to get the most out of all stakeholders in an organisation

Personal Impact

By the end of this seminar you will be able to:

- Understand the essential ingredients of personal, management and business success
- Have a clear understanding of vital business topics, important concepts and proven strategies taught as part of an MBA program
- Apply the concepts, tools and analytical techniques and knowledge to gain financial benefit for you and your organisation
- Understand the leader's role in today's increasingly difficult business environment and create a niche for yourself
- Be aware of the challenges facing an organisation seeking to survive or prosper

The Scandinavian Academy for Training Center adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

Program Timings:

- 9:00 AM to 2:00 PM

The program includes:

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
