

A photograph of students in a classroom. In the foreground, a young woman with long blonde hair is writing in a notebook with a yellow pen. Behind her, a young man in a blue and white plaid shirt is working on a laptop. In the background, other students are visible at their desks. The classroom has light-colored walls and wooden desks.
A smaller version of the school's logo, featuring a stylized building with an open book and three stars, all in a light blue-grey color.
The logo for the "Scandinavian Academy Training Center". It consists of the school's shield logo on the left and the text "Scandinavian Academy Training Center" to the right. The text is in a white and gold font, with "Training Center" in a larger, bold gold font.

Why Attend?

Training departments carry a major responsibility in the organizations which focus on developing employees' knowledge and skills for current and future business needs. Being in charge of a training department requires an understanding of a number of concepts like management, strategy, policies, budget, evaluation and technology. The 'Certified Training Manager' course covers such important topics and provides participants with the knowledge and tools to survive the ever growing demands placed on the training function.

Course Methodology

To apply theory, the course incorporates an experiential learning approach that allows participants to individually and collectively develop solutions to case studies, draft budgets, training policies, evaluate surveys and create business requirements for training systems.

Course Objectives

By the end of the course, participants will be able to:

- Describe the key roles and responsibilities of training departments
- Develop a training department mission statement with key result areas and key performance indicators

- Establish a comprehensive training strategy which includes training policies, procedures, and training plans
- List important steps for developing and administering training budgets
- Identify methods for evaluating the training function
- Conduct a cost benefit analysis for training activities
- Prepare business requirements for a Learning Management System (LMS) and list the necessary system selection steps

- Reporting return on investment
- Presenting your findings

Selecting and implementing a LMS

- Purpose and importance of LMS
- Existing types and technology
- Common features

- Business requirements
- Defining the selection process
- Examples and comparison of LMS

The Scandinavian Academy for Training Center adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

Program Timings: 9:00 AM to 2:00 PM

The program includes:

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
