The Course

In today`s modern corporation, the leader needs to draw from the well of intellectual capital within their sphere of influence to facilitate productivity and steady growth. Principles and techniques on how leaders do that today are included in this unique programme in order to provide the delegate with the essential tools to groom his/her people. These best practice techniques are taken from all areas of business and cultures to provide the delegate with a clear path to putting together a successful organization.

This course allows delegates to understand the best strategies and techniques to adopt in various workplace situations. The ability to strategize and convey organizational goals through effective communication is crucial towards achieving peak performance. Long term success relies on strong leadership within the organization.

This course covers these key areas:

- Developing effective communication
- Influence and motivate others through exemplary leadership
- Techniques to delegate and empower followers
- Understanding your preferred leadership style
- Building an innovative culture

The Goals

- Determine best practices of leaders through history and how to apply them today.

- Articulate an understanding of what leadership means for in your business.
- Explain your leadership capabilities and areas for personal development.
- Determine your role as an effective leader in any organization.
- Develop strategies for creating a positive work environment that fosters leadership and a commitment to continuous improvement in others.

The Delegates

This program is intended to take those who supervise other people and processes, and give them pure leadership skills to enable them to have the capacity to both lead and manage people. In that context, the program should be attended by all who aspire to build their leadership qualities.

- This seminar is designed for anyone in a leadership role who supervise other people and processes, and give them pure leadership skills to enable them to have the capacity to both lead and manage people
- It will benefit leaders at any level of the organization with the latest knowledge and skills in leadership styles

The Scandinavian Academy for Training Center adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

Program Timings:

- 9:00 AM to 2:00 PM

The program includes:

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
