## Introduction

Financial skills and knowledge are vital for all managers in all organisations. A more challenging business and economic climate and an increase in financial delegation is making this even more so.

Many senior professionals miss formal training in finance and often feel uncomfortable when discussing financial matters with their peers and financial professionals. This interactive and engaging programme addresses these important issues.

### Key areas covered in this program include:

- Reading, interpreting and using financial statements (internal and external)
- Improving business cases and decision making
- Costing and presenting plans and proposals
- Working more effectively with budgets
- Delivering improved financial performance, profit & cash flow

## Objectives

### At the end of this program delegates will be able to:

- Read and interpret financial statements
- Analyse business performance
- Contribute to cash and working capital management
- Build budgets and Manage costs and budgets

- Present business cases and utilise financing techniques to improve decision making

## **Training Methodology**

The training uses an interesting mix of lively discussion, case studies and exercises, contemporary examples and videos.

We focus on the practical application of concepts and ideas. Experiences from real business situations and decisions will be used to bring concepts to life. Delegates are requested to bring copies of their organization's accounts together with internal financial reports that they work with.

## **Organisational Impact**

**Organisations will benefit from trained managers who will:**

- Make better business and management decisions and cases
- Manage budgets and resources more effectively
- Have better regard for their impacts on:
  - Profit
  - Cash
  - Business Risk
  - Business Performance
- Work more effectively with colleagues in other functions (including finance)
- Identify more opportunities to improve business performance
- Provide knowledge and understanding that can be shared amongst other departments of the business

## **Personal Impact**

- Participants will be able to advance their careers as a result of understanding the

various subject covered. In particular they will be able to:

- Understand the basic concepts of finance as it relates to their businesses
- Interpret their organizations financial signals

**The Scandinavian Academy for Training Center** adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

**Program Timings: 9:00 AM to 2:00 PM**

**The program includes:**

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
- **Note: All prices are exclusive of 15% Value Added Tax (VAT).**
