Why Choose this Course?

This exciting course looks at the basic building blocks of effective compensation and benefits administration and then goes on to explore the strategic dimensions - how the whole process can add real 'value for money' and help the organisation achieve its strategic objectives. In all organisations it is important that the administration and management of compensation and benefits is of the highest quality.

This course will feature:

- An analysis of the current strategic issues facing organisations today
- The strategic impact of pay and motivation
- How organisations can encourage participation & engagement & achieve organisational objectives & profitability
- How to design compensation to cope with change in both societal & organisational context
- A toolkit of useful practices that will allow participants to scrutinize existing practices

What are the Goals?

By the end of this course, participants will be able to:

- Develop a clear understanding of reward philosophy and strategy
- Demonstrate how the component parts of reward strategy fit together
- Explore issues surrounding the effective management of the human resource

- Describe why staff are the most expensive resource of the organisation
- Evaluate new practices that might benefit their organization

Who is this Course for?

This course will prove to be valuable and productive for all those who are interested in pay and reward, compensation and benefits. Participants of all levels will gain valuable knowledge and skills.

This course is suitable to a wide range of professionals but will greatly benefit:

- HR staff who are responsible for the administration of benefits and reward
- Compensation and Benefits specialists who are new to the area or are looking for a refresher course
- More senior HR Staff who are interested in the strategic value of compensation and benefits
- Line Managers and Senior Staff who are responsible for managing and motivating Staff – and need a better understanding of the impact of remuneration
- Others who wish to understand about this important subject

How will this be Presented?

This course will utilise a variety of proven adult learning techniques to ensure maximum understanding, comprehension and retention of the information presented. This includes a variety of learning methods, including mini-lectures, extended case studies and self questionnaires.

There will also be small group work, class discussion and multimedia training aids. There will also be video clips and up to date news items.

The Scandinavian Academy for Training Center adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

Program Timings:

- 9:00 AM to 2:00 PM

The program includes:

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
