INTRODUCTION

Our masterclass combines the disciplines of advanced customer service management and PR/communications in a powerful state-of-the-art programme to enable you to exploit this colossal opportunity. In a fast-paced, interactive programme you will work closely with other delegates to hone your relationship-building skills and strategies and to develop a planned approach to deal with the 'new' consumer. You will learn how to build lasting rapport and mutual respect with your customers while you uncover their needs, match them, build respect and maintain customer loyalty

This highly interactive and fun programme examines in depth how to.

This programme will enable you to:

- Build lasting and meaningful relationships with your customers
- Use powerful behavioural tools to ensure you secure and maintain a competitive edge within any marketplace
- Gain a greater understanding of your customers' needs and how to satisfy them
- Explore the basics of Neuro Linguistic Programming (NLP) and Emotional intelligence and discover how they can help you to improve your customer services management
- Understand how media channels can be used successfully to develop and enhance relationships
- Understand the process of decision-making based on learning from neuroeconomics

- Develop your ability to draw stakeholder maps and to explore and exploit the relationships between stakeholders
- Influence with integrity and effective communication

PROGRAMMEME OBJECTIVES

- Build lasting rapport and lasting relationships with colleagues, customers and friends
- Modify your own behaviour to match others
- Establishing good working relationships
- Learn to influence with integrity
- To use influencing skills and techniques to build ongoing and long term relationships with key customers and other stakeholders
- To be able to create and adapt crystal clear models for communication between your organisation and its customers
- Build co-operation and commitment
- Understand your customers' needs and how to satisfy them
- An ability to tailor services to meet your stakeholders needs
- Plan communications activity to meet stakeholder needs
- Be more versatile in every customer or stakeholder-facing situation
- Explore the range of communications techniques and tools available
- Develop increased skill writing for print and the web and competency in the range of PR tools and techniques including editing
- Learn how to write clear brief and clear objectives
- Learn how to be an effective user of e-media
- Develop crisis management techniques
- Develop your interview technique
- Develop personal communications effectiveness
- Recognise behaviours that may cause conflict in the future, enabling you to defuse awkward, and sometimes critical, confrontations with colleagues and customers alike

TRAINING METHODOLOGY

Participants will learn by active participation throughout the programme, using programme materials, exercises, training videos and discussions of relevant organisational issues.

PROGRAMME SUMMARY

Understanding the processes of communication and decision making and the behavioural patterns of others to determine how you need to change your own behaviour and communication in order to communicate, influence and negotiate more effectively with your colleagues, customers and other stakeholders.

- Summary and Conclusion

The Scandinavian Academy for Training Center adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

Program Timings:

- 9:00 AM to 2:00 PM

The program includes:

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
