Introduction

Are we doing the right things? In spite of all our efforts, deliveries are late, over budget and below performance. The way that we approach our procurement has a marked effect on the end result; therefore we have to ensure we use the right processes and criteria to select our suppliers.

This seminar will use the system approach to demonstrate the optimal method in vendor qualification, enhance performance and ensure contract compliance.

This fast paced seminar provides both strategic and tactical insights into:

- Casting the net wide enough to ensure an adequate number of suppliers to select from
- Selecting only the best suppliers to participate
- How to measure their performance objectively
- To ensure that they perform according to expectations

Objectives

Participants attending the program will:

- Benefit from learning from a seasoned practitioner
- Hearing the practices and experiences of others
- Cover the vital steps in a proper supplier evaluation

- Matching customer requirement with the correct supplier segmentation
- Develop meaningful performance measures
- Learn how to use those performance results for continuous improvement

Training Methodology

Participants will increase their competencies through a variety of instructional methods including lecture by an experienced practitioner and consultant, individual and team exercises, and group discussions covering the many topics presented in the programme.

Organisational Impact

Your organization will benefit by:

- Your suppliers will be able to deliver on time
- Higher customer satisfaction
- Reduced friction cost

The Scandinavian Academy for Training Center adopts the latest scientific and professional methodologies in training and human resource development, aiming to enhance the efficiency of individuals and organizations. Training programs are delivered through a comprehensive approach that includes:

- Theoretical lectures supported by PowerPoint presentations and visual materials (videos and short films).
- Scientific evaluation of participants before and after the program to measure progress and knowledge acquisition.
- Brainstorming sessions and practical role-playing to simulate real-life scenarios.
- Case studies tailored to align with the training content and participants work nature.
- Assessment tests conducted at the end of the program to evaluate the achievement of training objectives.

Each participant receives the training material (both theoretical and practical) in printed form and saved on a CD or flash drive. Detailed reports, including attendance records, final results, and overall program evaluations, are also provided.

Training materials are prepared professionally by a team of experts and specialists in various fields. At the end of the program, participants are awarded a professional attendance certificate, signed and accredited by the Scandinavian Academy for Training Center.

Program Timings:

- 9:00 AM to 2:00 PM

The program includes:

- A daily buffet provided during the sessions to ensure participants comfort.
- A closing ceremony on the final day to distribute certificates and celebrate participants achievements.
